| | On 4 February 1953, the Panzer Maserne in Spremberg was occupied by about |
| | 500 troops wearing red-bordered black epaulets with tank insignia. Fresh imprints of tank tracks conducted toward Weisswasser. The vehicles previous- |
| | ly seen in the yard were no longer there. No training activity was observed. |
| | |
| < 1 | Only a few windows were lighted after nightfall. |
